**Treasurer Report**

Jennifer went over the reports. Danielle made a motion to approve the report and was seconded by Mary. No one opposed; motion carried.

No Bill or invoices received from Don Croghan's office as of yet. Julie received a bill from Gradient for website updates, a bill for the footballs for homecoming, and a bill for the website domain. Gave to Jennifer.

Julie is still working on updating yearbook pics, so we will be receiving more bills.

**Homecoming**

The only changes from last meeting is the Annual Meeting will be held at the Knoxville Public Library in the Weiler room. No refreshments will be served.

Danielle sent email regarding membership renewal to those with emails listed.

**SOS**

Alumni Board and Knoxville School Board met to discuss stadium. Cassie was to research how much they purchased stadium for; so far can only find the bathhouse was purchased for \$15,000. The School has an easement with the City for the water tower and that would end if KAA were to purchase. A new easement would have to done if KAA purchases. KCSD says

that they spend approximately \$40,000 to main the facility; Pennie thinks we could do it for \$2500 per month.

Pros and Cons if KAA purchases stadium: We could probably get funding from outside sources easier if we owned the property, but would need to generate income before, during, after upgrades. We would still need plans, but not as costly since we wouldn't have a timeline pushed upon us. We would have to pay all utilities and possible property taxes. (form on County website for non-profit exemption) We need to see what insurance would be and write up a proposal for purchase.
